Stealth Bomber

~~$3,500.00~~ **$3,199.00**

The Stealth Bomber Electric dirt bike is one of the newest hybrid eBikes. A huge advantage with a hybrid Electric dirt bike is you still have the speed and power of a full dirt bike, while retaining the usability of the manual pedal function to get you home. You will leave your gas powered friends behind at the fuel station and at the race track. Silently cruise down city streets, up rocky mountain slopes, or over jumps with the Stealth Bomber. Fully customize your bike with your choice of 21*3 turtle tires 21*3 motorcycle tires, 26*4 kinda fat tires, fenders, battery capacity, motor size, and even seat type.
